

Mini-Grants

Through the Rice County Chemical Health Coalition, funds are now available for projects/events that support Civic Engagement, Intergenerational events, Service-Learning opportunities, and Youth Leadership.

RCCHC will award money (up to **\$300**) to projects and activities that:

- **Connect** Faribault youth with their community
- Provide training and opportunities for **youth leadership** experiences and positions
- Connect Faribault youth to *caring adults* or older youth
- Provide opportunities to engage Faribault youth in *service-learning*

RCCHC hopes to fund many grassroots projects led by individuals or groups. If you have a great idea, please apply! You don't need to be part of a formal group! There will be a new grant cycle each month, with the deadline to apply being the first Tuesday of the month.

Funds up to **\$300** per application are available. RCCHC will give the highest priority to applications:

- submitted by Faribault youth
- projects that reach Faribault youth in grades 6 - 12
- activities that take place over multiple sessions
- events that involve youth that don't have access to other activities
- programs that take place after school, on weekends, during school breaks

*****ALL grant recipients will be asked to conduct a brief survey of the youth that participate in their event and complete a final report at the conclusion of the activity. These evaluations help ensure future funding.*****

This is easy. Here's how to apply:

- ◆ Download the application from www.ricecountychc.com
- ◆ Save grant application to your computer
- ◆ Complete the form
- ◆ Save the completed form to your computer
- ◆ E-mail your completed form to: bky_ford@msn.com
Or mail to: RCCHC Mini-Grants, 1800 NE 14th St., Faribault, MN 55021

Funding for this program is provided by the Office of National Drug Control Policy and Substance Abuse Mental Health Services Administration (grant number SP014874-01).
