

**YOU ARE INVITED!**

# COMMUNITY GATHERING

Every day, for lots of different reasons, young people in our community try alcohol or other drugs for the first time.

Chief of Police, Dan Collins, has offered to meet again with concerned citizens at the new law enforcement center and is eager to talk to us about alcohol and other drug use in Faribault. He is willing to share what his department knows and his concerns for our young people. **This is a follow up to the dynamic gathering we had on 11/19.**

Join us as we share information and begin to make plans for keeping our kids healthy and safe!

**Thursday, December 10th**  
**Faribault Police Department**  
**25 4<sup>th</sup> St. NW, Second Floor**
